Authorization for Payroll Deduction
Adjunct Faculty Association Dues

Directions: Please complete the information on the form below and email it to afaoakton@gmail.com

In signing this form, you authorize a payroll deduction from your fifth and sixth paychecks of the fall and spring semesters for dues in IEA/NEA and for our local AFA/OCC dues. Total membership dues will then be turned over to the AFA treasurer. This process makes the treasurer's job easier, saves you from writing checks each semester, and facilitates AFA's membership activation with IEA/NEA each semester.

Once this form has been completed, your membership will become automatic and deducted each semester until you notify the finance office to terminate deductions.
