

Faculty Instructions for Accessing Student COVID/-19 Vaccination/Testing Mandate Compliance

Starting with the Spring 2022 semester, Oakton faculty teaching in-person classes can verify a student's COVID-19 Vaccination/Testing Mandate compliance for face-to-face classes. Note that per the governor's mandate, students and employees working on campus or attending on campus classes have two options, either provide proof of COVID-19 vaccination or submit to weekly COVID-19 testing. To protect privacy, this system will not disclose a student's vaccination status. Instead it will simply show whether or not the student currently meets the requirements of the mandate.

The class roster's showing compliance can be accessed either via MyOakton or directly via the Oakton Sections tool: <https://www.oakton.edu/facstaff/entrenous/oaktonsections/>

1. In MyOakton, login and click on the "Collaboration" page:

Faculty Instructions for Accessing Student COVID/-19 Vaccination/Testing Mandate Compliance

2. On the Collaboration page, click on the Oakton Sections link: (This takes you to the URL listed above: <https://www.oakton.edu/facstaff/entrenous/oaktonsections/>)

3. In Oakton Sections, you will see a list of sections you are assign to teach. Those classes that have a meeting scheduled on campus will show a Face-To-Face indicator. Click on the “Manage Section” button to pull up the class roster:

Faculty Instructions for Accessing Student COVID/-19 Vaccination/Testing Mandate Compliance

- For each section, the page will look like this. If the section has a face-to-face meeting, there is an indicator next to each person to show if they are currently compliant with the mandate. A red X icon (✖) indicates that the person is not currently compliant and a green checkmark (✔) indicates that the person is compliant. Note that this tool can also be used to see/use the section email mailing list address and to turn on Remote Computer Lab Access for all students in the section.
